

## **Title: Cupid's Tears**

- Verse 1:** As darkness falls like a ghost  
You steal across my past  
A shadow weaving mystic spells  
Only you can cast  
Your memory lying by my side  
Feel you here inside
- Chorus A:** Your tears set fire to the sky  
Blinds the pupil of my eye  
But love looks not with eyes  
Cupid's tears make us blind
- Verse 2:** Now I think I understand  
Understand that you command  
Command this jealous heart of mine  
Mine it is no more  
It's all I've got to give to you  
You for all of time
- Chorus A:** Your tears set fire to the sky  
Blinds the pupil of my eye  
But love looks not with eyes  
Cupid's tears make us blind
- Chorus B:** So close you eyes look with your mind  
Put your hand in mine  
I'll hold you while we cry  
And taste the salt of Cupid's tears
- Bridge:** I know I'll never see again your smile light up the sky  
It's time to say goodbye  
And once again I'll taste the salt of Cupid's tears  
Only you can cry
- Chorus C:** So close your eyes look with your mind  
Put your hand in mine  
I'll hold you while we cry  
And taste the salt of Cupid's tears  
Only you can cry
