

**Title: Bring a dream**

**Verse:** You're day to day feels so lame  
Another morning driving you insane  
Same old same old it won't wait  
You better get a move on or you're gonna be late  
It wasn't supposed to be this way  
You've had enough gonna run away  
But when someday

**Chorus:** When was the last time  
You did it for the first time  
Sometimes you gotta swim against the tide  
So don't be shy if you're looking for a friend  
To hold your hand I got time to spend  
All you have to do is  
Bring a dream with you

**Verse:** Hello good morning superstar  
Looking good they say that you'll go far  
On your way to meet the press  
You gotta save the planet cos the worlds in a mess  
There's a bell ringing in your head  
Come on wake up leave your dreams in bed  
It's not your day

**Chorus:** Repeat

**Middle:** So I'll help you pack  
Don't look back  
Just say goodbye

**Chorus:** Repeat and End
