

Title: Difficult To Read

Verse 1: They say here she comes
In her super skinny jeans
With her Jimmy Choos
Yea check out those noisy heels
Don't they understand
Clothes don't make a woman

Chorus: You can look but you can't judge
Cos I'm difficult to read
Like a book with no cover
Turn the page and discover
It it's me you want to see
Just an ordinary girl
Find what's real inside me
I know I'm difficult I'm difficult to read

Verse 2: Hey boy standing there
With that look upon your face
As if you don't care
Your eyes staring into space
Maybe you're just shy
In case I pass you by

Chorus: **Repeat**

Middle: some say I'm like a butterfly that floats from tree to tree
Maybe they want me to be what they want to be
But I'd rather stay with one and that one to stay with me
So if you make me your mistake that's OK by me

Chorus: You can look but you can't judge
Cos I'm difficult to read
Like a book with no cover
Turn the page and discover
It it's me you want to see
Just an ordinary girl
Find what's real inside me
I know I'm difficult I'm difficult to read
I know I'm difficult I'm difficult to read
