

## **Title: Party Girl**

**Verse 1:** Met you at a party  
Thought you arty farty  
But you turned out nice  
We talked all night  
I asked you for your number  
But I can't remember what you said

**Chorus:** Party girl your names Kathleen  
You looked real pretty and seemed quite keen  
But I don't know where you've gone  
All I know is you live in Wimbledon

**Verse 2:** You drank red wine  
Most of which was mine  
And giggled when you talked  
I've tried real hard  
But girl it's such a bummer  
To find you's getting tougher all the time

**Chorus:**

**Bridge:** Now you just stood there as cute as can be  
Your head on one side looking at me  
I'd sure be delighted with your company – I like what I see  
A cute little chick with a Gucci flick  
Who giggles when she talks  
And wiggles when she walks  
If I tell you I love you I'm not spinning a line  
I want to take you home and make you mine

**Verse 3:** Five foot five  
Oh so alive  
Girl you turned me on  
We talked all night  
I asked you for your number  
But I can't remember what you said

**Chorus:** Party Girl your names Kathleen  
You looked real pretty and seemed quite keen  
But I don't know where you've gone  
All I know is you live in Wimbledon

**End:** Party Girl your names Kathleen  
I'm a nice boy and really clean  
But I don't know where you've gone  
I haven't got your number but I know where you're from
