

Title: Sand

Verse 1: Lying here by your side
Doesn't feel the same
Your arms no longer holding me
Your lips don't taste the same
I'm holding on but something's gone
Tell me am I to blame

Chorus: You're like sand running through my fingers
And there's nothing I can do to stop it
Love no longer lingers
And there's nothing I can do to stop it
And I don't know why
Love just passes by
Goodbye my friend I guess you're ready to go
You're like sand running through my fingers

Verse 2: You painted pictures in my mind
Now you want them back
I'm telling you I don't know
Where it is we're at
I'm chasing dreams but standing still
And there's no going back

Chorus:

Bridge: I can see by that look in your eyes
You're in a different place
Where you don't say what you wanna say
But it's written on your face

Chorus: You're like sand running through my fingers
And there's nothing I can do to stop it
Love no longer lingers
And there's nothing I can do to stop it
And I don't know why
Love just passes by
Goodbye my friend I guess you're ready to go
You're like sand running through my fingers

Repeat chorus to fade
