

Title: Someone to run with

- Verse 1:** Don't waste my time looking
For the broken dream inside
I can't find the pieces
For they have learnt to hide
And now I'm not too sure
That I know what it is I'm looking for
- Bridge 1:** Not looking for an angel
Don't need a pair of wings
Not searching for tomorrow
Only what it brings
- Chorus:** I'm just looking for someone to run with
Leave the past behind
Looking for someone to run with
Running through the doors of time
Someone to run with
- Verse 2:** Spent too much time thinking
Of your promise made to me
I guess the dream was not so good
Was I blind and could not see
For richer or for poor
You said you were the one I'm looking for
- Bridge 2:** Not looking for a brother
Sister that's not my style
Gonna get me a lover
To take me that extra mile
- Chorus:**
- Middle:** Not dancing with the Devil
His beat is not so sweet
Just running up that yellow road with ruby shoes upon my feet
- Bridge 3:** Not looking for an angel
Don't need a pair of wings
Not searching for tomorrow
Only what it brings
- End:** I'm just looking for someone to run with
Leave the past behind
Looking for someone to run with
Running through the doors of time
Someone to run with and run with me
Someone to run with who'll run with me
