

**Title: You Had To Do That**

- Verse 1:** I got nothing to hide  
Nothing to say  
And no babe I'm not OK  
Telling me now  
What I got to do  
We both know it's all about you
- Pre-Chorus:** Had it up to here with your rules and stuff  
Telling you now I've had enough  
I want you off my case please
- Chorus:** And then you had to do that  
You said you wouldn't do that  
It makes me bam bam bat  
Can you do it again  
You know it makes me zoom – *You said you wouldn't do that*  
I'm going boom boom boom – *It makes me bam bam bat*  
It's the thing you do – *And then you had to do that*  
Can you do it again
- Verse 2:** One minute I'm in  
The next I'm out  
I don't ever get a shout  
You don't get where  
I'm coming from  
You don't see you're getting it wrong
- Pre-Chorus:** Now you gonna get what I'm all about  
Giving you up and getting you out  
You wanna one more chance please
- Chorus+:** And then you had to do that – *You know it makes me zoom*  
You said you wouldn't do that – *I'm going boom boom boom*  
It makes me bam bam bat – *It's the thing you do*  
Can you do it again  
You know it makes me zoom – *You said you wouldn't do that*  
I'm going boom boom boom – *It makes me bam bam bat*  
It's the thing you do – *And then you had to do that*
- Bridge:** You think you are so interesting  
You hang on every word you say
- Chorus+:** Repeat Chorus+ with different End Line
- End Line:** Did you have to do that?
